**Introduction:**

YIC, The course is combination of two theory and Practical Subjects like Breathing techniques, Asana, Sat Kriyas, Pranayama, Meditation technique. Yogic Games which improves Concentration, Memory, Dexterity, Stamina, Awareness and Happy Assembly program which makes one to being tune with true nature, happiness and Bliss. On the completion of this course, the students will be able to teach yoga to the general public even having health related complain. The holistic way to prevent diseases, promote positive health and bring harmony and peace in the society.

YIC, a professional yoga instructor training program, consisting knowledge of Holistic living and not merely as yoga posture, S-VYASA has been offering this course over the last 3 decades all over the globe with great benefits. At the end of this course, the students will be able to teach yoga to the general public even having health related complain. The holistic way to prevent diseases, promote positive health and bring harmony and peace in the society.

**Objectives:**

- YIC course has been specially designed so that within one month, a person feels comfortable and sufficiently knowledgeable to be able to teach yoga, in a positive non-harmful manner, which imbibes ancient knowledge of India.
- Furthermore the YIC course is designed in such a way that allow the students to teach the general public straightaway with confidence in a holistic manner, whereby the instructors can provide yogic practices to promote positive health, prevent disease and most importantly introduce the concept of harmony and peace to society once completion of the course.
- The YIC course introduces the concept of right way of living, which can be easily translated, into their lives. The YIC course is the flagship course for SVYASA to allow student to progress onto other long term courses.
- The YIC course has been designed to inspire the people from all nations to come and learn, the basis of yoga and its application, so that old ideas, prejudices and barriers are removed. The concept of universal brotherhood is developed with the YIC course.
- The YIC course uses the ancient teachings of India to help students to understand the strength of India to make her 'Jagad Guru' again.
Core Values

Yoga Instructor Course has designed in such a way that students not merely only teaching to the people in holistic manner, it also provides the platform to learn many things. The core values of the YIC are as follows.

CONTRIBUTING TO NATIONAL DEVELOPMENT:

- Through this program development is achieved (Physical, mental, social and spiritual awareness).
- Awareness of yoga, spiritual and traditional values are created among the public by the students who are trained at S-VYASA in the right way of living.
- Development of skills in various areas, which are multi-applicable to any situations, be it employment or leisure pursuit.

INFLUENCING A VALUE SYSTEM AMONG STUDENTS:

- Here every day activity are done which continue to instill traditional values to the students using a variety of methods
- Maitrimilan – Chanting of Slok-Sangraha based on B.Gita and discourse on topics related to Yoga and spirituality
- Karma yoga-Self less service.
- Sattvic food-adjustment to eating a balance, simple, wholesome foods.
- Honesty, sincerity, integrity, punctuality, morality, importance to traditional values, Universal brotherhood (all are called bhaiya's and didi's, spiritual values, value of rising early in the morning.
- Spiritual guidance.
- Overall the lifestyle change.

QUEST FOR EXCELLENCE:

- Self analysis (Working back at the activities and evaluating those activities).
- Constant reviewing the running of the YIC course.
- With daily meetings – reviewing what took place the day before. Ensuring any problems that arise are dealt with quickly, efficiently and effectively so that students are not disturbed unnecessarily.
- Monthly review meeting are done once the course is complete for the analysis of success and failures. The monthly course is dissected with the use of the daily records to ensure, the next month runs even better than previous.
- It is our mission to ensure the student receives the best education, understanding and development within one month. This is done with the use of feedback forms from the students, staff, alumni, parents and management.
PROMOTING THE USE OF TECHNOLOGY:

Yoga may be considered an ancient scientist but it is dynamic and makes use of new technologies

- Teaching
- Learning (student centered learning techniques)
- Teaching methodology (computers, LCD, Power point)
- Streamlined computer process to maintain students records and Governance (for administration)

FOSTERING GLOBAL COMPETENCIES AMONG STUDENTS:

- Yoga may be considered an ancient scientist but it is dynamic and makes use of new technologies
